

2022 ANNUAL REPORT

PRESIDENT'S MESSAGE

As we emerge from a worldwide event that took control of our lives these past three years, let us remember the lessons learned and continue growing stronger for the future. I would like to thank the CalCom Staff and Volunteers for their hard work and endless dedication this past year. We finished the year with a strong financial position with over 13% in capital. This allows us to continue to find ways to better serve Members, like you, and to give back to our community. Since the pandemic, CalCom generated almost \$8M in Consumer Loans and \$13.7M in Real Estate Loans. In addition, we donated hundreds of meals to Frontline Workers, made multiple contributions to local colleges for homeless students, and continued to share financial education through workshops and seminars.

This year we have a tough economy ahead of us with the high inflation and high interest rates. Our Members will remain at the forefront of our decisions as we navigate into the future. We blasted into this year with a competitive 4% rate for our Promotional Share Certificate to help our Members launch their Savings. We are pleased to share this drew a lot of interest and we opened over 100 Share Certificates totaling over \$4.6M.

The pandemic highlighted the demand for remote services, therefore, CalCom decided to convert to a new core system in the first quarter of 2024. Our new core system will allow us to serve our Members better both remotely and in person. Please look out for more information about this exciting new fintech upgrade!

We appreciate your positive feedback from our surveys awarding us a 98% satisfaction on branch and 96% satisfaction on lending services as well as a 4.5-star rating on several online review platforms. In addition, we continued to receive a 5-star rating from Bauer Financial, an independent bank research firm.

On behalf of the Board of Directors, Committee Members, Management, and Staff thank you for your continued support and for allowing us to serve your financial service needs.

Jon Hernandez, President & CEO

CHAIRMAN'S MESSAGE

It's my pleasure to inform you that CalCom Federal Credit Union had another successful year. Our Management and Staff continue to keep the Members' best interest at the forefront of its operations, continuing to focus on Member accessibility and Staff training to enhance the ease and level of service we provide to our Members.

I want to thank the Management and Staff for their dedication in serving the needs of the Members, the continuous commitment of our Volunteers, and the understanding and support of the Members through the pandemic. We are all better as a whole after all this.

On behalf of the CalCom Volunteers, we thank you for your continued support and we appreciate your business.

Andy Doyle, Board Chairman

SUPERVISORY COMMITTEE REPORT

The Supervisory Committee is composed of volunteer members appointed by the Board of Directors and provides critical oversight of the credit union operations to uphold the safety and soundness standards set forth. This is accomplished through policy evaluation, review of operational procedures, safeguarding members' interests, and being continually aware of the overall state of operations.

In 2022, the Committee commissioned several audits and evaluations remotely of CalCom's operations; completed the National Credit Union Administration Examination in January 2022 with the effective date as of September 30, 2021, completed the external audit in October 2022 with the effective date as of June 30, 2022, completed Bank Secrecy Act Audit in January 2023 with the effective date as of December 31, 2022; and performed periodic internal audits.

Based on our evaluations and the findings of the Data and Risk Management Department, CalCom members can continue to expect the same high level of service and feel assured their assets are safe as we move through 2023.

We welcome any questions, concerns or other feedback Members may have.

Phillip Gutierrez, Supervisory Committee Chairman

OUR MISSION

To collaborate with our Members to achieve their financial goals and dreams.

For the past 150 years, the credit union movement has existed with one goal: to carry out the philosophy of "People Helping People." Credit unions are not-for-profit cooperatives that are owned by their members and governed by a volunteer board of directors with all profits being returned to members in the form of low loan rates, competitive dividend earnings and minimal fees, making them unique in the financial world.

CalCom is proud to be a part of this tradition of member-oriented service! Founded as LICOMTO Federal Credit Union in 1968, we served the employees and family members of Little Company of Mary Hospital with a single employee, Ms. Doris Anthony, conducting the entire operation. Today, CalCom has grown to over 20 employees and offers an array of financial products and services all built around the foundation of a family to serve its ever-growing credit union membership.
