

CALCOM FEDERAL CREDIT UNION

2021 ANNUAL REPORT

PRESIDENT'S MESSAGE

As the dust began to settle in 2021 and we slowly adjusted to the new norms, we are reminded of the value of teamwork and giving back to our Members and our community. Although we have low fees compared to other financial institutions, we further reduced our fees by no longer charging a non-sufficient fund fee for transactions <\$5 and we implemented early payroll deposit with direct deposit.

In response to our Members' demand, we enhanced our Real Estate and Home Equity Line of Credit offerings including, second homes and investment properties of up to 1 to 4 units which led to funding \$27.3M in loans. Our partnership with CarScouts continued to grow as we helped several Members get their dream cars without having to visit a dealership.

Also, despite the pandemic, we continued our commitment to assisting our communities with donations of food, clothing, blankets, and toiletries to the homeless students at our local colleges. We also launched our scholarship program, partnered with Long Beach City College, and awarded six deserving recipients to further their education.

We appreciate your positive feedback from our surveys awarding us a 97% satisfaction on branch and lending services as well as a 4.5-star rating on several online review platforms. In addition, we continued to receive a 5-star rating from Bauer Financial, an independent bank research firm.

On behalf of the Board of Directors, Committee Members, Management, and Staff thank you for your continued support and for allowing us to serve your financial service needs.

Jon Hernandez, President & CEO

Andy Doyle, Board Chairman

SUPERVISORY COMMITTEE REPORT

The Supervisory Committee is composed of volunteer members appointed by the Board of Directors and provides critical oversight of the credit union operations to uphold the safety and soundness standards set forth. This is accomplished through policy evaluation, review of operations procedures, safeguarding members' interests, and being continually aware of the overall state of operations.

In 2021, the Committee commissioned several audits and evaluations remotely of CalCom's operations; completed the National Credit Union Administration Examination in January 2021 with the effective date as of September 30, 2021, completed the external audit in September 2021 with the effective date as of June 30, 2021, completed Bank Secrecy Act Audit in November 2021; and performed periodic internal audits.

Based on our evaluations and the findings of the Data and Risk Management Department, CalCom members can continue to expect the same high level of service and feel assured their assets are safe as we move through 2022.

We welcome any questions, concerns or other feedback Members may have.

Phillip Gutierrez, Supervisory Committee Chairman

OUR MISSION

To collaborate with our Members to achieve their financial goals and dreams.

For the past 150 years, the credit union movement has existed with one goal: to carry out the philosophy of "People Helping People." Credit unions are not-for-profit cooperatives that are owned by their members and governed by a volunteer board of directors with all profits being returned to members in the form of low loan rates, competitive dividend earnings and minimal fees, making them unique in the financial world.

CalCom is proud to be a part of this tradition of member-oriented service! Founded as LICOMTO Federal Credit Union in 1968, we served the employees and family members of Little Company of Mary Hospital with a single employee, Ms. Doris Anthony, conducting the entire operation. Today, CalCom has grown to over 20 employees and offers an array of financial products and services all built around the foundation of a family to serve its ever-growing credit union membership.
